# ABOUT US

Royal Dream is one of leading and biggest company working with Crypto Pool program. Our team is made up of engineers, scientists, researchers, designers, and entrepreneurs who share the same vision.

Together, we're working to improve crypto Royal Dream by making advanced technologies more accessible and seamlessly integrated.

True to the maxim of decentralization, our team is distributed across the world to Royal Dream.

# OUR VALUES

## THINK CLEARLY

We think about the message we want to deliver before we speak, and know what is important and what is not.

## BE RESOURCEFUL

We believe that great ideas can come from anywhere, regardless of seniority and experience

## STAY DETERMINED

We never give up, carry each other through hard times, and recognize grit in our colleagues

## DREAM BIG

We think big, take smart risks, and do things that have never been done before.
